WORK HARD AND LET SUCCESS RUN AFTER YOU

Here in scene 2 vasundra ask his manager about raghuvaran(Architect of the year).....His manager told her that he has done a “slum cleaners project “.With the help of 60 unemployeed engineers which also help in the revolution of the slum area, the project was also cost efficient in itself and it also helped those 60 unemployeed people to get work thus by working together he formed a group name VIP

NEVER BETRAY THE PERSON THAT HELPED YOU WHEN NEEDED FOR YOUR OWN BENEFIT

Later Vasundhara tells raghuvaran to join his company but he refuses it by telling her that he did not come there to join her company and betray anita construction which gave him job when he was unemployed but he was there to refuse her proposal.....then vasundra tells him that he is refusing the great offer then he replied that he wants to start a new company with those thousand unemployed engineer and if he joins her company then those engineer will be disappointed.

NEVER HAVE EGO(even if you are popular)

Later, Raghuvaran's project team and Vasundhara's top team are invited at the same time to exhibit their models for a proposed private medical college and hospital building to a very rich and native trader. Vasundhara exhibits her project with heavy pride and ego, while Raghuvaran explains his project in a simple manner. The trader gives the project to Anitha Constructions. Raghuvaran provides some polite advice to Vasundhara outside the building.

ALWAYS FIND OPPORTUNITY FROM FAILURE

This offends her, and she begins to go after him, placing one obstacle after another. First, she uses her influence in the state cabinet to force the trader to give the project back to her. She then makes counter-bids to all of Anitha Construction's projects at a lower price, causing the company to lose their own projects. Raghuvaran learns of this and quits his own job just to save his first company. Then he came to meet her and tells her that now he has nothing to lose and now she gave her opportunity to start his own company(VIP).

“

FAILURE IS SIMPLY THE
OPPORTUNITY TO BEGIN
AGAIN, THIS TIME MORE
INTELLIGENTLY.

HENRY FORD

THERE WILL ALWAYS BE NEW OPPORTUNITY FOR THE ONE WHO HAS FAITH IN HIM

Then he starts to find a new company for the job but no one accepts him. Then Anita from Anita Construction comes to visit him and tells him to start his own company, she also tells him that his company will also help him. Finally he starts to get the loan for the company but all the banks refuse him to give the loan. Then all the members of the VIP group insist him to take their saving but he refuses. Finally BALAJI named guy came to him and tells him that he wants to collaborate with him...but for collaboration he also has to make investment in the company so he pledges his house and invests in his company.

FOR BUSSINESS NEVER LET OTHERS PEOPLE'S LIFE AT RISK

For one month their company does not get any projects ...finally after a month their company get a project from a person named prakash...the project is about the theme park...all the members starts working for the project. Once when he was visiting the project area he saw a lake near the land and he send the sand for test and found out the the land was faulty so he and his partner decided to call off the project .

BUSINESS WITH SOCIAL RESPONSIBILITY

Later he find's out that the project was being taken over by VASUNDRA CONSTRUCTIONS...so he thought that prakesh has also given wrong information about the land to vasundra , so he went to meet her but she refuses to meet him,then he went to government office and tells about the land but the government employee was also involved in that .Now prakesh went to meet vasundhara and tells her that raghuvaran was frustrated because he didn't get the project ...which was completely wrong. Later prakesh find raghuvaran at vasundra's company and tells him that he will give him 50 Lakh rupees but raghuvaran refuses to take that...then prakesh tells him that vasundhra already knows about the land but raghuvaran still inestetes to meet her but she refuses to meet. Knowing that she did not meet him, prakesh was mocking him...in reply raghuvaran tells him that how much he tries he will not be succeed in his project .

IF PLAN A DOES NOT WORK GO FOR PLAN B

Because vasundhara did not want to meet raghuvaran he and his team went to the site of the project and did not allow any worker to work for the project by sitting at the land. This created the scene at the sight and caused vasundhara to come at the site. Then vasundhara asked them that why they were sitting there...in reply they said that if and only if she leaves the project they will leave the land. But vasundhara refused and called the police. Police came and asked them to leave the land but they said that the land was not capable enough for the project of theme park and that they have the proof and they will not leave the land and then the media arrived and asked that what was the problem and then in reply they told the whole story to media.

**IF PLAN A
DOESN'T WORK.
THE ALPHABET

HAVE FAITH IN YOURSELF...AT LAST YOU WILL SUCCEED

Then due to the influence of prakash police started to arrest raghuvaran and the whole team. But now the news of the land being faulty was already spreaded to whole state and the whole state started to supporting him and his whole team saying that he was right and done a great job. Even students started to support him. All the people wanted the officer that gave the permission for the land to be suspended. But the officer has already resigned and due to the news of land being faulty and the oppose of the people VASUNDHARA COMPANY was at the great loss. vasundhara and the company claims that they saw the report of the land and it was completely fine so they has taken the project. Many people stated that the person who just started the company thought to take the report of the land but no one from the whole company thought of it. And at the end the project was stoped by the government and it was great news for raghuvaran. Now due to the infulence of the project of the theme park vasundhara construction was at the great loss and the company started to lose many of their project.

DO BEST FOR THE COMPANY EVEN IF YOU ARE AT THE LOSS(BUSINESS WITH SELFLESSNESS)

When raghuvaran visited the company the company was fully messy and the workers thought that the mess was created by vasundhara and prakesh. Then due to the loss created by the mess the company has the great loss. Now there was no funds in the company due to the loss. BALAJI the partner of raghuvaran insisted that they can sell the shares of raghuvaran to different companies and then raghuvaran will no longer be the owner of the company and he has to work there as an employee. Raghuvaran agreed to that and then they sold the shares of the company to different companies

NEVER LOSE HOPE IN YOURSELF

Raghuvaran was very disappointed. When he was sitting at the terrace of his house his father came and confronted him telling that it does not matter that whether he was an employee or an owner of the company....the thing that everyone knows that how much hard he has worked for his company and that this was is first attempt only...he can try hard so that he can again become the owner of the company.

HAVE POWER OF EMPLOYEES THAT'S WHAT MORE IMPORTANT IN COMPARISON OF MONEY

Next morning when raghuvaran went to his company Vasundhara was already waiting for him. Then raghuvaran ask that why was she there at their company then she replied that the companies to which BALAJI has sold 50% shares of raghuvaran and 25% of BALAJI's shares was the companies of vasundhara .Now vasundhara was 75% shareholder of the company and the company belongs to vasundhara. Now vasundhara tells raghuvaran was fired from the company and he is worth less. Then BALAJI came to tell that he was with him and that every employee was with him. Vasundhara was very angry. Raghuvaran came to vasundhara and tells that she is not the owner of the VIP company as the members was with him .

HAVE A LITTLE FAITH IN YOUR RIVAL BASED ON YOUR JUDGEMENT

Then there was a very heavy rainfall and some people started to attacking raghuvaran...he fights with all of them. He thought that the attack was made by vasundhara as he has trust and the whole company was with him leaving vasundhara's offer . This makes raghuvaran angry and he then visited vasundhara's company and tells that what's wrong with her and why she has sent goones to kill raghuvaran. He believed in her and immediately leaves the company as soon as he came to stair case what he saw was that the stare was filled due to the water of the rain and he cannot leave the company.

ALL IS WELL IS THE END IS WELL

Due to rainfall only vasundhara and raghuvaran was there at company and now they have the time to clear the misunderstanding between them which was created due to the theme park's project .Now the misunderstanding was cleared between them till the next morning . when there was no water on the road they leaves the company. When vasundhara was trying to start her car which was not starting raghuvaran asked to help her and as the misunderstanding was cleared between them she took his help.Both of them was very hungry and so he took vasundhara to his home and he introduced his family members to her.....And finally at the end they became good friends of each other...
